

Newfound Baptist Homeschool Ministry
2014-2015 Fellowship Classes
Information, Descriptions and Policies

Information

Class Enrollment will be **Thursday, September 4, 2014** from 11-12:30 pm.

All fees are due at time of enrollment.

Classes take place the 2nd Monday of each month from September to May.

First Class will be **Monday, September 8, 2014**

Last Class will be **Monday, May 11, 2015**

Fellowship begins at 10 am and classes begin at 10:30 am each month.

All classes will take place at Newfound Baptist Church at 2605 New Leicester Hwy, Leicester, NC 28748.

Policies

As a church ministry we follow the Baptist Statement of Faith that can be found on our church website: www.newfoundbaptist.com. We are a Christian Ministry that holds fast to the Word Of God. The Holy Bible. We believe that Scripture is God breathed and every word is true. Because of this, we hold a Biblical worldview and all classes curriculum and lessons must adhere to these beliefs.

While on the church campus, all families are to be respectful to God's home and behave in a way that will bring God glory.

*Clothing, backpacks and accessories must be modest in style. No vulgar words or images should be worn, spoken or brought on campus.

*No weapons allowed on Campus.

*All behavior must reflect Galatians 5:22. Actions, words and hearts should bring forth the fruits of the Spirit: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.

*Must be respectful of all Church Staff that will be present on campus.

It is the responsibility of our entire group to help maintain the cleanliness, order and well being of the church building while we are using it. All trash or messes must be cleaned and disposed of before leaving the campus.

Any and all questions or concerns should be brought to the Homeschool Ministry Director: **Andrea Clark** at clarksranch@charter.net or 828-776-1520

Class Descriptions

Preschool: For ages 5 and under. This class will be a time of imaginative and instructional play. All activities and toys will be appropriate for young children.

Class Leader: Jennifer Warner

Homeschooling mama of 4 awesome kids! Jennifer and her husband feel blessed and privileged to be called to home education. She has many years of preschool teaching experience in the church and co-op setting. She looks forward to loving, and teaching your little ones this year!

Kindergarten - 2nd Grade: Five in a Row

Five in a row is a fun curriculum to use with younger children and explore the world of imagination, history, math, geography, science, and so much more through simply reading a book. Each class we will read a simple picture book and do activities relating to the book. It is designed to be fun while yet, hopefully :-), educational. Every month will be a different book and probably different activities. We will read books in season as we approach them and just enjoy a time of fellowship together while we work.

Supplies Needed: Your children will need crayons or colored pencils, glue and a pencil. We may or may not use these every month but we will use them at times and I will have extra if your child does not have them. Some times little ones just think its a big deal to carry their own bag :-)

Class Leader: Rachel Sheehan

I am so excited to be a part of this. I am a home schooling momma of 3 and have been home schooling nearly a decade. I have 3 exciting, energetic children. They range from 8th grade- 2nd grade. I have been involved in co-ops before but have been on a break for some time, and excited, ready and happy to be back in the co-op ring again! I look forward to meeting each of you and us all working together throughout the next year!

3rd - 5th Grade: Art

Classes will include: Exploring visual communication through short- and long-term projects; experiment with different ways of problem solving; and working in various media, everything from crayons to acrylics and 3-D projects. Learn the process of painting, color theory, value, composition, depth perception, and some history of art.

To begin, the children will develop their creativity through fun drawing projects. The class will cover basic drawing techniques, such as line, shape, and perspective. Each class throughout the year will feature different projects and techniques. Students will learn to communicate their ideas through their art and develop their observation and perspective skills.

Supplies Needed: I'll bring the sketch books and drawing pencils to the first class. Right now all you'll need is an inexpensive set of colored pencils, a good eraser and sharpener.

Class Leader: Pam Pace

Hi, I am so excited to have this opportunity to serve your children. I have been teaching children a variety of things for 30 years including reading, VBS, Sunday School and tutoring. I now drive a school bus and do arts and crafts. I have been interested in art since 4th grade, dabbling with it through the years. In the last 15 years after getting my children raised and with the encouragement of my friends and family, my passion for art became a

reality. God has given me this talent and opportunity and I give Him praise for all my accomplishments.

6th - 12th Grade: Resist as One

Encouraging, equipping and edifying our youth to stand together as Christians in a world that promotes and elevates putting Christ and the Word of God to the side. In this class we will learn to be unified together as Christians in service and obedience to the Lord and serving and giving to others, all while standing strong in our faith and living out the Word of God. Class is based on Hebrews 10:23-25.

Supplies Needed: Pencils, notebook and a Bible

Class Leader: Andrea Clark

I'm a daughter of the King, wife to my wonderful Hubby, and mama to my 4 fun energetic and exciting blessings, ages: 6, 8, 11 & 13. After almost a decade of home educating, there is still no other place I would rather be than at home, training, teaching, serving and loving my children. I'm just a sinner, saved by the marvelous and merciful grace of Jesus. Longing to live my life for Him in a way to bring Him glory. He has allowed me the privilege to serve others as a teacher in home, church, VBS, workshop classes and Bible Studies. I look forward to sharing God's Word with your children this year!
